Suet Log Bird Feeder Workshop
St. John's Hall
7-9 p.m.

Some of you may remember last year when one of our members brought in a bird feeder that she had created from a half log and filled with a bird feed mixture. It was hung in the yard and they enjoyed the birds all winter. These feeders are refillable when empty and we will share the recipe for the mixture.

Linda has offered to help us make these this year for a winter workshop. Please join us to make one of these for yourself or a gift.

Cost - \$10 for members and \$15 for non-members.

Please e-transfer your registration funds to

treasurer@bathgardeningclub.ca

Please remember to put your name in the message box so we know who has registered!
