

Bath Gardening Club
Guide to recording your volunteer hours
September 1, 2026 to October 31, 2027

Your volunteer hours matter!

Please make it a habit to record your volunteer hours after each activity.

The Ontario Horticultural Association provides grants to BGC based on voluntary support from our members. You can help us to provide a more accurate measure of our volunteer commitments by using the online form to record your hours. Alternatively, you can use the chart of activities below to keep track of your hours.

Save the online form!

9. A note confirms that your form was sent, and asks if you want to fill another form.
10. Your entries are updated to a spreadsheet of volunteer hours.
11. The total hours are included in an annual report to the OHA.

Important Notes

1. This year our fiscal year will run from September 1, 2026 to October 31, 2027.
2. If you have volunteered for one activity on several different dates, you can total the hours and record them on one form by using only one date, instead of entering several separate forms for the same activity.
3. Our team leaders do not collect voluntary hours for group projects such as planting; therefore, please remember to submit your hours.
